

Makita

14" MM4™ 4-STROKE POWER CUTTER

THE 4-STROKE ADVANTAGE

- No Oil Mixing Simplifies Operation and Prevents Engine Failure Due to Improper mix
- Eliminates the Need for Separate Mixed Oil/Fuel Can
- Lower Noise at 106.5 dB(A) and Smoother Idle for Continuous Operation
- Lower Fuel Consumption at .45 Gallons Per Hour
- Reduced Exhaust and Intake Carbon Build-Up for Longer Cylinder Life
- Three Ring Piston for Improved Commercial Engine Durability

INNOVATION

Pressure compensated carburetor for reduced flooding

CONVENIENCE

Integrated wheel kit retracts when not in use

PERFORMANCE

Fuel primer bulb for easier cold starts

DURABILITY

5-Stage filtration system for better engine durability

MAKITA MINI 4-STROKE ENGINE

INCREASED PERFORMANCE

14" MM4™ 4-STROKE POWER CUTTER

Model EK7651H

FEATURES & BENEFITS

- Automatic engine decompression valve is engineered into the cam gear to reduce pull start force by 40%
- Five-stage, foam-paper-nylon filtration system with advance direction air flow provides cleaner air for better engine durability
- Integrated wheels reduce fatigue during long straight cuts and retract when not in use to prevent unexpected movement
- Clear primer bulb facilitates fuel delivery to the carburetor for easier cold starts
- Pressure compensated carburetor with vented choke plate is engineered to reduce flooding by automatically adjusting to deliver the proper amount of fuel
- Advanced oil separation & lubrication system to improve valve train durability and engine life
- Specially treated rods, followers and valves minimize wear and extend engine life
- Single lever On/Off choke operation switch for operator convenience
- Shielded exhaust outlet and larger spark arrestor screen prevents contaminants from restricting air flow
- External fuel tank vent eliminates pressure build up
- Sealed cartridge recoil starter rope reduces wear by keeping out dust and debris
- Cutting arm easily changes from center position to flush (outboard) position allowing cuts directly adjacent to curb edges, wall or directly above the ground
- Cushioned operator grips with 4 vibration-absorption rubber buffers for increased operator comfort

STANDARD EQUIPMENT

- Tool Kit (195488-8), Water Attachment Kit (195533-9), Oil Bottle Set, Prefilter Set (195945-6), Ring Set (196588-7), Spark Plug (168652-4), Starter Rope (444040-2), Dust Bag (166106-5)

SPECIFICATIONS

Displacement	4.6 cu.in (75.6 cc)
Max. Power	3.0 kW (4.1 H.P)
Fuel Tank Capacity	1/3 Gal (1.1 L)
No Load Speed (Engine)	9,100 RPM
Max. Spindle Speed	4,300 RPM
Arbor	20 mm
Max. Cutting Depth	4-13/16" (122 mm)
Dry Weight	28.4 lbs (12.9 kg)

YEAR

WARRANTY

WARRANTY

- All Makita gas powered outdoor power equipment (OPE) is warranted to be free of defects from workmanship and materials for a period of TWO YEARS from the date of original purchase. This warranty includes Makita gas powered OPE products used in consumer, commercial or rental applications. Any accessories included with OPE products have a ONE YEAR warranty. These accessories include but are not limited to chainsaw chains, chainsaw bars, trimmer heads, brush cutter blades, handles, harnesses, hoses, connectors, filters, bags, tool kits, and adjustment/maintenance tools.
