## Mossy Oak Break-Up® Infinity™

- **FIRST** camouflage pattern to feature 6 individual layers of depth with **unmatched realistic detail** and the **sharpest definition**
- Each element – leaves, limbs, acorns and branches – was selected to create **unprecedented realism and contrast**, to break up a hunter's silhouette.
- **Multiple layered imagery** creates multi-dimensional depth of field unlike any camouflage ever created
- **USB feature** enables charging of mobile devices
